

PEAC San Diego Presents: Parrot Behavior & Training Workshop with Barbara Heidenreich

July 31, 2010

In this workshop, parrot enthusiasts learn basic methods and tools to teach their birds using positive reinforcement. The workshop will cover the following topics:

- The basics of training--how does it work?
- How to read and interpret bird body language
- Solving behavioral problems
- Training basic behaviors
- Training to benefit the health and welfare of your bird
- Training advanced behaviors for fun
- And more!

Workshop includes lecture, PowerPoint presentation, video, interactive activities, games, written materials, & live demonstrations on how to train behaviors from start to finish. An educational & fun experience is the goal. An open forum is encouraged to analyze companion parrot behavior challenges & goals.
